Children will learn that mammals are animals that breathe air, have a backbone, grow hair, and are warm-blooded. They will also learn about big and small creatures that live in the ocean. Children will explore characteristics and habitats of birds and learn that they have feathers, wings, bills, and lay eggs.

Parents, please remember to carry your ID with you at all times. We will be asking for your ID when you pick up your child after school. Please make sure that you update the emergency card in the office if you need to add anyone else to pick up your child. Everyone that picks up your children will need to bring a picture ID **NO EXCEPTIONS!**
